Dear Brandon and Staff,

My name is Bakisa I am a student at Cornerstone Montessori Elementary School I am a 4th year in Forest. Thank you for the field trip! Something that I enjoyed was touring the facility. I enjoyed it because, it was cool and it was also funny when the orens played christmas music. I was really fun to go and I loved most of the food! I think the worst was the ranch drum stick mostly because it was spicy and dry but it was fine. I think the best was the sloppy joe. Thanks again for the trip!

- Sincerely,
Bakisa U

Dear CKC,

I am Pria, I am a 4th year at CMES, a couple of weeks ago, you brought us to your factory, and we toured it! We tried some of the food that will be here next year! Although I loved everything, the Cheesy Sloppy Joe really stood out! The oven that had the Christmas music timer was so cool! Thank you for letting us come!

Sincerely,

Pria

Dear Re Staff & Workers

I want to thank you guys for letting us have this opportunity to go to cbe good foods. My favorite part about the kitchen is the fryer & the oven. I like the oven because the design looks really royal and fancy. The reason why I like the fryer is on one side you can fry anything and it won't touch the other side. My favorite food would probably be the honey barbecue chicken leg and the pasta I forgot the name of it but it tastes really good. How you open the freezer is quite cool. you have to pull a rope and it opens up for 30 seconds. if somebody stayed in there for more than 30 seconds and they were by their self they would be trapped forever if someone doesn't open the door to get something. They had so much snacks and juice boxes. I didn't try all of the foods because I was home lunch. Thank you again for everything!

Sincerely,
Aisha m.

The new chips keep their shape after baking.

CKC Thank you

Dear CKL,

Thank you for letting us visit. We had so much fun (even in clothes). All the food was very good. The Ovens and the "small" freezer and the every thing pot. It was a lot of fun to come thank you for having us.

Trully,
Amelia,

Dear KLC Staff!

Thank you for inviting us to your facility. The food was delicious! I especially liked the honey chicken drumsticks. It was like an all you can eat buffet. It was so cool to see how the food was made. I liked seeing the freezer and the big storage rooms. Over all it was very fun!

My name is Donovan. I am from Cornerstone Montessori Elementary School. It was a super fun (and tasty) field trip. I'm so thankful to you for letting us taste test your food and showing us around your facility. I think the thing I enjoyed the most was the food and I think a lot of the others would agree too. But it was the kind staff who helped us and informed us of what you guys do. I know people were complaining about the spice on the chicken (make it spicier). I hope there'll be more chances to try the foods you guys make next year.

Sincerely
Donovan.

Dear members of OKC,

Thank you for the field-trip. The food was amazing. I really liked the ~~to~~ ~~to~~ ~~to~~ chicken, it was the perfect blend between sweet and spicy. I also liked the tour. It was amazing to see how the food is made. I really liked the smart ovens. That oven was so amazing, my brain was ~~to~~ ~~to~~ ~~to~~ in alignment. Normally, I have home lunch but maybe next year I will have school lunch.

Sincerely - Atticus.
